# About Us & Our Services

---

An old fashion drive thru.

The Moore Sisters love to drive their horses whether it is for a special occasion or just a fun trip around

town. On Sunday afternoons when the weather is nice you will find them at the Wabash and Erie Canal Park in Delphi giving rides. The sisters got the bug to own Percheron Draft horses when they attended a driving workshop sponsored by the Percheron Horse Association of America. They later attended another driving workshop held at Historic Prophetstown. After committing to owning the big horses they decided to attend a conference and become members of the Carriage Operators of North America. Learning about driving and the carriage business was just the start of things to come. For a year, they worked at buying supplies, tack, carriage, wagons and other equipment.

## Horses At Last!

Finally after establishing the company it was time to take the big leap and buy the horses. Two Percheron horses were purchased. One a gelding named Danny who was nine years old and a mare Gloria who was three. The challenge was to get the horses to work

Danny and Gloria

together as a team since Danny came from the Georgia area while Gloria came from Northern Indiana.

The sisters and the horses have come along way since the beginning. They strive to be professionals with your safety as their number one concern.

## Services Provided

We'll be happy to serve and enhance any special occasion for you:

- Weddings
- Anniversaries
- Valentine's Day Rides
- Birthdays
- Parades
- Historic Tours
- Scenic Rides

Our services are competitively priced and affordable. To make arrangements

please contact us by phone or email. We will gladly give you a quote and send our contract to you for your evaluation. We will travel and bring the horses to your event provided you are located in the surrounding Central Indiana area.

Let our, classic, elegant carriage, finely harnessed horses, and formally attired drivers make your special event a memory of a lifetime.
